Venue: Virtual classroom via video link

Start Date: 02 July 2024

End Date: 09 July 2024

Day: Tuesday

Time: 14:00 to 16:00

Weeks: 2

Tutor: Richard Oliver

Course Adult Education in

Provider: Gloucestershire

Course Summary:

What is it about numbers?
Why DO some people struggle with this basic building block and others not?
Maths Champion, Support Worker, teacher, assessor, parent, carer or maths struggler - this course is for you.
Come and explore different ways to support those with maths anxiety or dyscalculia, join us for two fun, interesting and free* sessions.
Meet Charlotte, who has dyscalculia, and learn about her experiences with numbers. And explore with Richard, a maths tutor with vast experience in supporting people to develop their maths skills.
Share your experiences. Discover that you are not alone. Have the chance to ask questions about topics that matter to you.

Eligibility:

You must be aged 19 or over to enrol and have lived in the UK for 3 consecutive years to enrol.
